A: No, this will be webinar-style, so you will only be able to see the speakers.

Q: Is this event free?

A: Yes! Hospice of Santa Barbara is a local nonprofit that has been serving families coping with grief or life-threatening illness for the past 48 years. Our motto, “Compassionate Care, Freely Given” reflects that all of our services are offered completely free—100% supported through community donations. During this pandemic, we created the illuminate Speaker Series as a free offering to address the widespread anxiety and struggle people are feeling. However, it is only made possible through your support. Your gift will help bring meaningful voices like Kristin Neff’s to the wider public and ensure the future of this series. Please join us in making this possible by visiting <http://weblink.donorperfect.com/hsbseries>.

Q: Can my friend, family member, etc. join?
